BADLANDS

CHRISTMAS PARTY

Members Christmas Party

Thank you for the 2025 season. We would like to welcome all 2025 members and new 2026 members, to our Christmas Party. This is the perfect event to meet other golfers and have fun. Hopefully this will be the start to a lifetime friendship playing golf with the extended Badlands family. The Badlands family would like to say a special thank you to the new manager Dan Zuehlke and the ground's crew this year. We have had several improvements that have taken place in the 2025 season. It is our hope and goal to grow and improve with our members in the 2026 season. Please send us any improvements you have for the course in the upcoming 2026 season. Sincerely The Badlands Family.
